The Annual National Night Out is a crime/drug prevention program sponsored by the National Association of Town Watch. National Night Out is designed to:

- Heighten crime and drug prevention awareness
- Generate support for, and participation in, local anticrime programs.
- Strengthen neighborhood spirit and police-community partnerships.
- Send a message to criminals letting them know that neighborhoods are organized and fighting back.

The WaterView HOA is inviting all WaterView residents to attend the celebration which will be held Tuesday, October 3, 2023 from 5:30pm – 7:30pm.

Residents are asked to turn on their outside lights, lock their doors and join their neighbors for a fun and exciting evening. We will have a DJ, face painters, food and entertainment for all residents to enjoy. The Rowlett Police and Fire Department will also be on site to showcase their equipment and vehicles plus answer any questions.

HALLOWEEN SAFETY TIPS

1. Only trick-or-treat in well known neighborhoods at homes that have a porch light on.
2. Accept your treats at the door and never go into a stranger's house.
3. Always use the front door; NEVER go to the back of a house.
4. DO NOT eat any treats until they are thoroughly checked by an adult.
5. Wear light-colored or reflective clothing so you are more visible.
6. Remain on well-lit streets and always use the sidewalk.
7. Only cross the street as a group in established crosswalks. Never cross the street between parked cars or out of driveways.
8. A parent or responsible adult should always accompany young children on their neighborhood rounds.
9. If your older children are going alone, plan and review the route that is acceptable to you. Agree on a specified time when they should return home.

BECOME A BOARD MEMBER

The Board is charged with the ultimate responsibility and authority for operating the community association on behalf of all the owners. The Board is to set policies, standards, procedures, programs and budgets for the association.

The Board has a fiduciary responsibility to the community association. Its fiduciary duty requires directors to act in the best interests and for the benefit of the community as a whole.

It is the Board that is ultimately responsible for the management of the association. The Board can direct or empower the manager to take certain actions on behalf of the community association. However, the Board is still responsible to the owners.

The Board of Directors is comprised of five (5) homeowners who are responsible for the governance and the implementation of HOA rules and regulations.

The Board is announcing a call for nominations to serve on the WaterView Board of Directors. There are three (3) available positions on the Board. The term is for two (2) years and Board meetings are held as needed.

Members interested in becoming candidates for the Board of Directors must contact the Manager at manager@waterviewhoa.com to request a Candidate Information Sheet. To have your name placed on the ballot for the Board of Directors, the completed Candidate Information Sheet must be returned to the manager via e-mail by October 13, 2023. Those members that fail to return a completed Candidate Information Sheet in a timely manner will not be precluded from running for the Board of Directors even if their name is not included on the ballot.

If you have any questions please contact the HOA office at 972 463-4455.

Manager's Message

We often receive phone calls and e-mails from homeowners inquiring about violations on other homeowner's property. There is a specific process which is mandated by the Texas Property Code that governs HOA's that we must follow while addressing violations, collections, etc. Also in accordance with the Texas Property Code the HOA cannot reveal personal information about an owner including their violation history, payment history and contact information (except the owner's address). At times, it can be a long process, so we ask for you to please be patient and know that these issues are being addressed.

What Does the Architectural Review Committee Do?

The Architectural Review Committee (ARC) reviews and approves requests for modifications and additions to homes within WaterView. This insures that no home looks out of place or below the standards we have all agreed to in the HOA Covenants. The members of the committee are all homeowners here in WaterView. They volunteer their time to make sure the high standards set by the HOA are upheld. Thank you for a job well done!

Any modification or addition to the exterior of your home must be submitted to the ARC for approval before starting the project. Please do not assume it is okay because you have seen it done elsewhere in the neighborhood. The ARC application can be found on the website at www.waterviewhoa.com or in the HOA office. Improvements to our neighborhood are welcome and encouraged. Maintaining and increasing home values should be everyone's goal.
